

J & R Downtown Jazz Fest 99

Excerpt taken from the Jazz Fest interview of guitarist Pat Metheny

Q: What are the top five albums on your listening list today?

A: Pat Metheny: Here are some recent records I have been enjoying : "A World Away - Walt Weiskopf, also on CrissCross - a fantastic tenor player with 3 of the best young musicians in New York - Larry Goldings on organ, Bill Stewart on drums, and Peter Bernstein on guitar. Again, excellent writing and a great approach to this instrumentation."
